# Who is Eligible to Become Insured

## FOR EMPLOYEE INSURANCE

**You are eligible to become insured for Employee Insurance while:**

- You are a full-time, part-time or temporary Employee of the Employer; and
- You are in a Covered Class; and
- You have completed the Employment Waiting Period, if any. You may need to work for the Employer for a continuous full-time or part time period before you become eligible for the Coverage. The period must be agreed upon by the Employer and Prudential. Your Employer will inform you of any such Employment Waiting Period for your class.

**You are full-time, part-time or temporary** if you are regularly working for the Employer at least the number of hours in the Employer's normal full-time, part-time or temporary work week for your class. If you are a partner or proprietor of the Employer, that work must be in the conduct of the Employer's business.

**Your class** is determined by the Contract Holder. This will be done under its rules, on dates it sets. The Contract Holder must not discriminate among persons in like situations. You cannot belong to more than one class for insurance on each basis, Contributory or Non-contributory Insurance, under a Coverage. "Class" means Covered Class, Benefit Class or anything related to work, such as position or Earnings, which affects the insurance available.

**This applies if you are an Employee of more than one subsidiary or affiliate of an employer included under the Group Contract:** For the insurance, you will be considered an Employee of only one of those subsidiaries or affiliates. Your service with the others will be treated as service with that one.

The rules for obtaining Employee Insurance are in the When You Become Insured section.

# When You Become Insured

## FOR EMPLOYEE INSURANCE

Your Employee Insurance under a Coverage will begin the first day on which:

- You are eligible for Employee Insurance; and
- You are in a Covered Class for that insurance; and
- You have met any evidence requirement for Employee Insurance; and
- Your insurance is not being delayed under the Delay of Effective Date section below; and

- That Coverage is part of the Group Contract.

At any time, the benefits for which you are insured are those for your class, unless otherwise stated.

## Delay of Effective Date

### **FOR EMPLOYEE INSURANCE**

Your Employee Insurance under a Coverage will be delayed if you do not meet the Active Work Requirement on the day your insurance would otherwise begin. Instead, it will begin on the first day you meet the Active Work Requirement and the other requirements for the insurance. The same delay rule will apply to any increase in your insurance that is subject to this section. If you do not meet the Active Work Requirement on the day that an increase would take effect, it will take effect on the day you meet that requirement.

A change in an amount of insurance is not subject to this section.

# General Information

## **BENEFICIARY RULES**

The rules in this section apply to insurance payable on account of your death, when the Coverage states that they do. But, if there is an assignment, these rules are modified by the Limits on Assignments section.

“Beneficiary” means a person chosen, on a form approved by Prudential, to receive the insurance benefits.

You have the right to choose a Beneficiary for each Coverage under this Prudential Group Contract.

If there is a Beneficiary for the insurance under a Coverage, it is payable to that Beneficiary. Any amount of insurance under a Coverage for which there is no Beneficiary at your death will be payable to the first of the following: your (a) surviving spouse; (b) surviving child(ren) in equal shares; (c) surviving parents in equal shares; (d) surviving siblings in equal shares; (e) estate. This order will apply unless otherwise provided in the Limits on Assignments.

You may change the Beneficiary at any time without the consent of the present Beneficiary. The Beneficiary change form must be filed through the Contract Holder. The change will take effect on the date the form is signed. But it will not apply to any amount paid by Prudential before it receives the form.

If there is more than one Beneficiary but the Beneficiary form does not specify their shares, they will share equally. If a Beneficiary dies before you, that Beneficiary's interest will end. It will be shared equally by any remaining Beneficiaries, unless the Beneficiary form states otherwise.

If you and a Beneficiary die in the same event and it cannot be determined who died first, the insurance will be payable as if that Beneficiary died before you.

## **MODE OF SETTLEMENT RULES**

The rules in this section apply to Accident Insurance payable on account of a Covered Person's death. But these rules are subject to the Limits on Assignments section.

Insurance payable on account of a Covered Person's death is normally paid to the Beneficiary in one sum. Subject to applicable law, where the amount of the benefit meets Prudential's current minimum requirement, payment in one sum will be made by establishing a retained asset account in the Beneficiary's name, unless the Beneficiary elects another settlement or payment option available at the time of claim, and the benefit distribution will be deemed complete when the account is established. The retained asset account is an interest-bearing draft account backed by the financial strength of Prudential. Funds are held in Prudential's general account or elsewhere as Prudential may direct and an account in the Beneficiary's name is credited interest at a rate set by Prudential's discretion, subject to a minimum rate that will change no more than once every 90 days on advance notice to the Beneficiary. The Beneficiary is provided a draftbook and has immediate access to the entire amount by writing drafts for any amount up to the account balance. The retained asset account is not a bank account and is not insured by the Federal Deposit Insurance Corporation; it is a contractual undertaking between Prudential and the Beneficiary. Further information about the account is provided at the time of claim. Prudential may at its discretion provide other forms of

payment in one sum. But another mode of settlement may be arranged with Prudential for all or part of the insurance, as stated below.

Arrangements for Mode of Settlement: You may arrange a mode of settlement by proper written request to Prudential.

If, at a Covered Person's death, no mode of settlement has been arranged for an amount of the person's Accident Insurance, the Beneficiary and Prudential may then mutually agree on a mode of settlement for that amount.

Conditions for Mode of Settlement: The Beneficiary must be a natural person taking in the Beneficiary's own right. A mode of settlement will apply to secondary Beneficiaries only if Prudential agrees in writing. Each installment to a person must not be less than \$20.00. A change of Beneficiary will void any mode of settlement arranged before the change.

Choice by Beneficiary: A Beneficiary being paid under a mode of settlement may, if Prudential agrees, choose (or change the Beneficiary's choice of) a payee or payees to receive, in one sum, any amount which would otherwise be payable to the Beneficiary's estate.

Prudential has prepared information about the modes of settlement available. Ask the Contract Holder for this.

## LIMITS ON ASSIGNMENTS

You may assign your insurance under a Coverage. Unless the Schedule of Benefits states otherwise, insurance under any Coverage providing death benefits or periodic benefits on account of disability may be assigned only as a gift assignment. Any rights, benefits or privileges that you have as an Employee may be assigned. This includes any right you have to choose a Beneficiary or to convert to another contract of insurance. Prudential will not decide if an assignment does what it is intended to do. Prudential will not be held to know that one has been made unless it or a copy is filed with Prudential through the Contract Holder.

This paragraph applies only to insurance for which you have the right to choose a Beneficiary, when that right has been assigned. If an assigned amount of insurance becomes payable on account of your death and, on the date of that death, there is no Beneficiary chosen by the assignee, it will be payable to:

- (1) the assignee, if living; or
- (2) the estate of the assignee, if the assignee is not living.

It will not be payable as stated in the Beneficiary Rules.

## DEFINITIONS

**Active Work Requirement:** A requirement that you be actively at work on a full time or part time basis at the Employer's place of business or at any other place that the Employer's business requires you to go. You are considered actively at work during a normal vacation if you were actively at work on your last regularly scheduled workday.

**Calendar Year:** A year starting January 1.

**Contributory Insurance, Non-contributory Insurance:** Contributory Insurance is insurance for which the Contract Holder has the right to require your contributions. Non-contributory Insurance is insurance for which the Contract Holder does not have the right to require your contributions. The Schedule of Benefits shows whether insurance under a Coverage is Contributory Insurance or Non-contributory Insurance.

**Coverage:** A part of the Booklet consisting of:

- (1) A benefit page labeled as a Coverage in its title.
- (2) Any page or pages that continue the same kind of benefits.
- (3) A Schedule of Benefits entry and other benefit pages or forms that by their terms apply to that kind of benefits.

**Covered Person under a Coverage:** An Employee who is insured for Employee Insurance under that Coverage.

**Doctor:** A licensed practitioner of the healing arts acting within the scope of the license.

**Earnings:** This is your basic annual earnings from your salary or wage from the Employer as of October 1<sup>st</sup> of each year. Your basic annual earnings does not include commissions, bonuses, overtime or any other extra compensation.

**Employee:** A person employed by the Employer; a proprietor or partner of the Employer. The term also applies to that person for any rights after insurance ends.

**Employee Insurance:** Insurance on the person of an Employee.

**The Employer:** Collectively, all employers included under the Group Contract.

**Injury:** Injury to the body of a Covered Person.

**Prudential:** The Prudential Insurance Company of America.

**Sickness:** Any disorder of the body or mind of a Covered Person, but not an Injury; pregnancy of a Covered Person, including abortion, miscarriage or childbirth.

**You:** An Employee.

## CLAIM RULES

These rules apply to payment of benefits under all accident Coverages.

**Notice of Claim:** Prudential must be given written notice that a claim will be made. The notice must be given to Prudential within 20 days after the date of loss. But failure to meet that time limit will not make the claim invalid if the notice is given as soon as reasonably possible.

**Proof of Loss:** Prudential must be given written proof of the loss including any requested documentation, such as a death certificate, for which claim is made under the Coverage. This proof must cover the occurrence, character and extent of that loss. A claim form will be furnished for submitting proof of loss. But, if you are not given a claim form within 15 working days after providing notice of claim, you must still submit the proof of loss.

Proof of loss must be furnished within 90 days after the date of the loss. But, if any Coverage provides for periodic payment of benefits at monthly or shorter intervals, the proof of loss for each such period must be furnished within 90 days after the period ends.

A claim will not be considered valid unless the proof is furnished within these time limits. However, if it is not possible to give proof within 90 days, it must be given no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

Prudential will pay benefits within 60 days after receiving satisfactory proof of loss.

**When Benefits are Paid:** Benefits are paid when Prudential receives written proof of the loss including any requested documentation, such as a death certificate. But, if a Coverage provides that benefits are payable at equal intervals of a month or less, Prudential will not have to pay those benefits more often.

**To Whom Payable:** Benefits are payable to you with these exceptions:

- (1) Benefits for any of your Losses that are unpaid at your death or become payable on account of your death will be paid to your Beneficiary or Beneficiaries. (See Beneficiary Rules.)

If you and a Beneficiary die in the same event and it cannot be determined who died first, benefit will be payable as if that Beneficiary died before you.

- (2) If you are not living, benefits for your Spouse's Losses are payable to your Spouse if your Spouse is living.
- (3) If neither you nor your Spouse is living, then benefits for a Spouse's Losses will be paid to your Spouse's estate.

**Physical Exam and Autopsy:** Prudential, at its own expense, has the right to examine the person whose loss is the basis of claim. Prudential may do this when and as often as is reasonable while the claim is pending. Prudential also has the right to arrange for an autopsy in case of accidental death, if it is not forbidden by law.

**Legal Action:** No action at law or in equity shall be brought to recover on the Group Contract until 60 days after the written proof described above is furnished. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

## **INCONTESTABILITY OF INSURANCE TO WHICH THE CLAIM RULES APPLY**

This limits Prudential's use of a person's statements in contesting an amount of that insurance for which the person is insured. These are statements made to persuade Prudential to effect an amount of that insurance. They will be deemed representations and not warranties. These rules apply to each statement:

- (1) It will not be used in a contest to avoid or reduce that amount of insurance unless:
    - (a) It is in a written instrument signed by the person; and
    - (b) A copy of that instrument is or has been furnished to the person or to the person's beneficiary or personal representative.
  - (2) It will not be used in the contest after that amount of insurance has been in force, before the contest, for at least two years during the person's lifetime.
-

# When Your Insurance Ends

## EMPLOYEE INSURANCE

Your Employee Insurance under a Coverage will end when the first of these occurs:

- Your membership in the Covered Classes for the insurance ends because your employment ends (see below) or for any other reason.
- The part of the Group Contract providing the insurance ends.

**End of Employment:** For insurance purposes, your employment will end when you are no longer a full-time or part-time Employee actively at work for the Employer. But, under the terms of the Group Contract, the Contract Holder may consider you as still employed in the Covered Classes during certain types of absences from full-time or part-time work. This is subject to any time limits or other conditions stated in the Group Contract.

If you stop active full-time or part-time work for any reason, you should contact the Employer at once to determine what arrangements, if any, have been made to continue any of your insurance.

Under no circumstances will the Employer/Policyholder be deemed the agent of The Prudential Insurance Company of America, absent a written authorization of such status executed between the Employer/Policyholder and The Prudential Insurance Company of America. But, the employer reserves the right to change or terminate the plan. This booklet describes your rights upon termination of the plan.

## **Claim Procedures**

### **1. Determination of Benefits**

Prudential shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by Prudential will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from Prudential of your denial. The notice will be written in a manner calculated to be understood by you and shall include:

- (a) the specific reason(s) for the denial,
- (b) references to the specific plan provisions on which the benefit determination was based,
- (c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,
- (d) a description of Prudential's appeals procedures and applicable time limits, including a statement of your right to bring a civil action under section 502(a) of ERISA following your appeals, and

- (e) if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon request.

## **2. Appeals of Adverse Determination**

If your claim for benefits is denied or if you do not receive a response to your claim within the appropriate time frame (in which case the claim for benefits is deemed to have been denied), you or your representative may appeal your denied claim in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by Prudential, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

Prudential shall make a determination on your claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If the claim on appeal is denied in whole or in part, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include:

- (a) the specific reason(s) for the adverse determination,
- (b) references to the specific plan provisions on which the determination was based,
- (c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,
- (d) a description of Prudential's review procedures and applicable time limits,
- (e) a statement that you have the right to obtain upon request and free of charge, a copy of internal rules or guidelines relied upon in making this determination, and
- (f) a statement describing any appeals procedures offered by the plan, and your right to bring a civil suit under ERISA.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied or if you do not receive a response to your appeal within the appropriate time frame (in which case the appeal is deemed to have been

denied), you or your representative may make a second, voluntary appeal of your denial in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

Prudential shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

## **Rights and Protections**

As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all plan participants shall be entitled to:

### **Receive Information about Your Plan and Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **Assistance with Your Questions**

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
