

Aetna Hospital Indemnity Insurance

## Financial protection for out-of-pocket costs

### **Aetna Hospital Plan**

#### **Cash benefits directly to you if you are hospitalized**

Would you be able to pay some of your day-to-day living expenses if you were hospitalized? Now you have an opportunity to be better prepared.

The Aetna Hospital Plan pays fixed cash benefits to help pay for your out-of-pocket expenses, such as your medical plan deductible, rent or groceries.

It's important to note that the Aetna Hospital Plan provides limited coverage and is not intended to substitute for comprehensive health insurance.

#### **How the plan works with your medical insurance benefits**

- You can purchase this insurance plan with any medical plan, including Aetna plans.
- The plan pays cash benefits in addition to any benefits you may receive under your health plan.

And the Aetna Hospital Plan is affordable. See your enrollment information for the cost of the plan.

#### **If you have an Aetna medical plan, you don't have to file a claim**

If you do not have an Aetna medical plan, simply file a claim form directly with Aetna.

## Additional plan details

Then you also get a daily cash benefit for each day you remain in the hospital as an inpatient, up to the annual limit.

If you have additional inpatient hospital stays during that same plan year, you will still be eligible for the daily cash benefit up to the annual limit.

See plan documents for a complete description of your hospital plan.
