

GET TO KNOW YOUR NEW COMPLETE PAYMENT SOLUTION, **SIMPLEPAY HEALTH HSA**

With SimplePay, you get so much more than an HSA.

Think of all the incredible benefits you're used to getting from your HSA. With SimplePay, you get all the benefits of an HSA, but now with added peace-of-mind access to a 0% interest line of credit for those medical expenses you might not have saved enough for.

HOW IT WORKS:

- ✓ Each pay period, your HSA contribution along with your employer's match will be deposited into your SimplePay account
- ✓ Hit with an unexpected medical cost? SimplePay provides a guaranteed 0% interest line of credit for the difference
- ✓ Worried about repaying on a budget? Monthly costs don't change. Your monthly contribution automatically becomes the repayment amount until the loan is paid

THAT'S IT!

Our goal is to help you take control of your medical finances.
Our promise is to help you when you need it.
