WHAT DOES IT MEAN TO BE DISABLED?

Disability is defined in The Hartford's certificate with your employer. Typically, disability means that you cannot perform with reasonable continuity the essential duties necessary to pursue your usual occupation in the usual or customary way. Once you have been disabled for 24 months following the elimination period, you are unable to engage with reasonable continuity in any occupation.

Pre-disability earnings is your regular monthly rate of pay, not counting commissions, bonuses, overtime pay or any other fringe benefit or extra compensation.
