HEALTH *benefits*

Health insurance exists to help offset the costs of medical events, whether they're planned or happen unexpectedly. The cost of health insurance will vary based on your individual situation, like your age, where you live, or even lifestyle.

Insurance doesn't pay everything, leaving you with out-of-pocket costs. In addition to your plan premiums, out-of-pocket costs include copayments, deductibles, and coinsurance. Each plan also includes an out-of-pocket maximum. It's important to understand how these costs work before you choose a plan.

Important Health Insurance Terms

- 1 COPAY:** The fixed dollar amount you pay for certain health services or prescription drugs.
- 2 DEDUCTIBLE:** The amount you pay each year for covered non-preventive care before your health insurance starts to pay.
- 3 COINSURANCE:** Your share (percentage) of costs after you've met your deductible.
- 4 OUT-OF-POCKET MAXIMUM:** The most you must pay in copays, deductible, and coinsurance during a single year. Once you reach it, your health insurer covers 100% of costs for the rest of the year.

You and Your Insurer Share Costs – Example

Jane's HDHP Plan Deductible: \$1,650 Coinsurance: 10% Out-of-Pocket Limit: \$3,350

January 1st
Beginning of Coverage Period

Jane hasn't reached her \$1,650 **deductible** yet. Her plan doesn't pay any of the costs.

Office visit costs: \$150
Jane pays: 100% of \$150 = \$150

more costs

December 31st
End of Coverage Period

Jane reaches her \$1,650 deductible, **coinsurance** begins. Jane has seen a doctor several times and paid \$1,650 in total. Her plan pays some of the costs for her next visit.

Office visit costs: \$150
Jane pays: 10% of \$150 = \$15.00
Her plan pays: 90% of \$150 = \$135

more costs

Jane reaches her \$3,350 **out-of-pocket maximum**. Jane has seen the doctor often and paid \$5,000 in total. Her plan pays the full cost of her covered health care services for the rest of the year.

Office visit costs: \$150
Jane pays: \$0
Her plan pays: 100%

**Subject to balance billing. Balance billing occurs when an out-of-network provider bills a member for the remaining balance between the total cost of a service and the amount covered by the member's medical plan.*

Surest is a UnitedHealthcare company. With the Surest plan, you get what you'd expect from a health plan, only with price visibility to check and compare costs and options. Even better, lower costs are an indication of higher-value care.

How it works

- **No deductible** or **coinsurance**
- Access UnitedHealthcare's national Choice Plus Network
- Health services are assigned a copay
- All copays count toward the out-of-pocket limit
- Out-of-network expenses do not count toward out-of-pocket limit
- Services are priced as a whole, meaning diagnostic, surgical, x-ray, will be displayed as full procedure
- Compare treatment options and price based on service, location, and provider

Finding care

- Search for services and providers using the Surest app or website
- Copays are displayed so you can expect and understand what you will pay
- Compare prices and select from treatment options based on location or by provider
- Providers who score higher in quality, efficiency, and overall effectiveness are noted as **higher-value providers** and are **lower-cost options**
- Select your service option and follow scheduling instructions

Virtual care options

HireRight's Surest plan has virtual care options for the following needs:

- Virtual primary care
- Virtual urgent and acute care
- Virtual mental and behavioral health
- Virtual serious mental illness
- Virtual intensive outpatient therapy
- Virtual substance use support
- Virtual eating disorder support
- Virtual exercise therapy
- Virtual gastroenterology
- Virtual speech therapy
- Virtual migraine clinic

Three ways to find virtual care

1. Search in the app or website and related virtual options will appear. It's part of the search experience. Schedule an appointment right from the link.
2. For added awareness, you'll see virtual alternatives when selecting "in-person medical office visit."
3. And — when you're in the app — you'll be notified of certain virtual care programs available to you.

Frequently asked questions

Is my doctor in-network?

Your network is a group of hospitals, doctors, labs, specialists and pharmacists who have a partnership (and contract) with your health insurance company to be part of your plan. Your doctor is likely in-network—we access the national UnitedHealthcare Choice Plus network and Optum Behavioral Health network—but you should always confirm. You can confirm at Join.Surest.com/HireRight (Access code: HireRight2025).

Do I have coverage during international travel?

You have emergency medical coverage outside the United States, as well as limited access to virtual services. Any emergency care received overseas is a cost to you, and you'll need to submit a claim for reimbursement upon returning to the U.S.

What should I do if my provider doesn't recognize Surest?

HireRight's Surest plan accesses the national UnitedHealthcare Choice Plus network, along with Optum Behavioral Health, but Surest is NOT the same as UnitedHealthcare. Your member ID card has information regarding eligibility. Find more information at UHCprovider.com/surest.

Do I have coverage for emergencies?

Yes, if you go to the emergency room, you pay the emergency room copay. If you need emergency surgery and/or need to be admitted to the hospital, the emergency room copay is waived, and you will be responsible for the inpatient hospital emergency admit copay.

HSA and FSA accounts – what can I use?

To be eligible for a health savings account (HSA), you must have a high deductible health plan. The Surest plan does not have a deductible. And because there is no deductible, you can't contribute to an HSA. If you already have existing HSA funds, however, those are yours to keep. And you can keep using your HSA funds or out-of-pocket medical expenses while on the Surest plan.

Under the Surest plan, you can put money aside—tax-free—in a flexible spending account (FSA) to pay for qualified out-of-pocket medical expenses. Sign up for an FSA during open enrollment.

Health Payment Account (HPA)

What is a Health Payment Account (HPA)?

A Health Payment Account (HPA) is an interest-free payment plan for your healthcare expenses to meet your budget needs. You can use your Paytient HPA card to pay for eligible health expenses by tapping into a small line of credit to pay out-of-pocket costs upfront. After each transaction, you can plan your payment plan that fits your budget.

Paytient HPA cards work at most providers that accept Visa cards for qualifying expenses only. Credit checks are not required. **Please note the Paytient HPA is only offered to team members enrolled in the Surest medical plan.**

How Paytient works

Pay for out-of-pocket health expenses. There is a \$2,000 credit limit. Use your Paytient card to pay for medical, pharmacy, mental health, dental, vision, or veterinary expenses.

Plan your payments. Choose an interest-free payroll-deducted payment plan that fits your budget.

Choose your payback method. Payroll deduction is the automatic payment method; however, you can make one-time payments towards any transaction on your Paytient card using an alternative method such as a bank account, debit card, or HSA/FSA.

Please note: After you complete your enrollment, you will be contacted by Paytient to start the onboarding process. You will not be enrolled in the program until you complete the onboarding process. Your enrollment is also contingent upon successful completion of an “Ability-to-Repay” assessment.

Health Savings Account (HSA)

A health savings account lets you pay for current or future health care expenses with tax-free* dollars. And unlike a flexible spending account, there isn't a "use-it-or-lose-it" rule with an HSA. The money is yours and rolls over each year. You never forfeit HSA funds.

Both you and HireRight can contribute to your HSA, up to the limits set by the IRS. Keep in mind, the contribution limits shown include both your contributions and HireRight's contributions combined.

Start It	Build It	Use It	Grow It	Keep It
If you enroll in the UHC HDHP medical plan, you'll be eligible for an HSA.	HireRight will deposit an employer contribution to your account each pay period. Throughout the year, you can change how much you want to contribute.	Use your HSA balance to pay for eligible health care expenses, tax-free, including deductibles, coinsurance, and copays.	Unused money in your account will roll over to the next year. Your account will earn interest and grow over time. Once your account reaches above \$1,000, you may invest your HSA balance in available mutual funds.	You always own the money in your HSA, including contributions from HireRight. You can take the account with you if you are no longer employed with HireRight.

HireRight Contributions to Your HSA

For 2025, if you enroll in the UHC HDHP medical plan, HireRight will contribute money each pay period into your HSA. **You will receive \$840 (employee-only) and \$1,680 (family coverage) annually!** This amount will be prorated based on your date of hire.

You can also have money automatically deducted from your paycheck and deposited into your HSA on a pre-tax basis:

- Up to **\$4,300** (including HireRight's contribution) annually for employee-only coverage.
- Up to **\$8,550** (including HireRight's contribution) annually if you cover dependents.
- Contribute an additional \$1,000 annually as a catch-up contribution if you're age 55 or older.*

**When you are enrolled in Medicaid or Medicare, you and HireRight will not be able to continue making any further contributions to your HSA.*

Important Tax Tips

Because your HSA offers significant tax advantages, there are also a few tax implications you need to be aware of.

Save your receipts in case of an IRS audit.

You are responsible for proving that you used your HSA only for qualified medical expenses. If you use your HSA funds for other expenses, you will owe taxes on the withdrawal, as well as a 20% penalty tax. If you use a credit card, personal check, or cash to pay for a qualified expense, you can use your HSA to reimburse yourself, but make sure to keep the receipt as proof.

Disclose all HSA contributions and withdrawals on your taxes.

You will need to submit Form 8889 along with your tax return. WEX will provide a 2024 HSA statement you can use when filing your taxes. In addition, your W-2 will display the total amount HireRight contributed to your HSA.

Don't exceed the IRS contribution limit.

If the total contributions to your HSA (from you and HireRight) exceed the annual IRS limit, the excess amount is subject to standard income tax plus an excise tax. If you withdraw the excess amount before your tax filing deadline, you can avoid paying the excise tax.

Include your after-tax HSA contributions (if any) on Form 1040 to deduct this amount from your income.

IMPORTANT

You cannot have a full-service Flexible Spending Account (FSA) and a Health Spending Account (HSA) at the same time.

Flexible Spending Accounts (FSAs)

HireRight offers two types of flexible spending accounts (FSAs) to help you save on medical, dental, vision, and many daycare expenses: Healthcare Flexible Spending Account (FSA) and Dependent Care Flexible Spending Account (DCFSA)

Remember, you can't have a full-service health care FSA and an HSA at the same time.

Contribution limit. Set aside up to \$3,300 for eligible health care expenses.

Lower your taxable income. Money you set aside is pre-tax dollars, so you pay taxes on a lesser amount.

Take advantage of payroll deduction. Contribute equal amounts each pay period.

Changes not allowed. Unless you experience a qualifying life event, you cannot change your annual contribution amount.

Separate accounts. You cannot use health care FSA funds to pay dependent care expenses, or vice versa.

Use-It-Or-Lose-It Rule

Plan your health care FSA contribution amount carefully. Any unused funds greater than any allowed rollover amount are forfeited. Visit naviabenefits.com for help estimating expenses. Be sure to keep all receipts for your tax records as you may need to provide proof of eligible expenses.

Disability Insurance

Disability can be one of the biggest financial risks you face. Should you experience a non-work-related illness or injury that prevents you from working, disability coverage acts as income replacement to protect important assets until you can return to work. You have **short-term disability** and **long-term disability** programs available through your benefits program.

Short-Term Disability (STD)

Company-paid, so you are automatically enrolled. Once paperwork from physician has been approved, you receive benefits following a 7-day waiting period.

Long-Term Disability (LTD)

Employee-paid, which requires you to enroll to receive benefits that begin after 180 days of disability. Please note you are automatically enrolled in LTD coverage.

Disability Insurance Highlights

	STD Coverage	LTD Coverage
Who Pays the Premiums	HireRight pays 100% of costs	Employee pays 100% of costs
Benefits Percentage	Replaces up to 60% of pay	Replaces up to 60% of pay
Benefit Maximum Available	Up to \$1,350 per week	Up to \$15,000 per month
When Benefits Begin	Following a 7-day waiting period	After 180th day of disability
How Long Benefits Are Paid	Up to 26 weeks	Up to Social Security Normal Retirement Age (SSNRA)

What STD and LTD Do Not Cover

The STD and LTD plans don't cover disabilities caused by:

- An accident that occurs on the job
- Self-inflicted injury, whether you are sane or insane
- War, whether declared or not, or international armed conflict
- Active participation in a riot
- Disabilities during employment with another employer
- Disability incurred while participating in an illegal act

401(k) Retirement Savings Plans

Save now, enjoy later! Whether your retirement dreams include traveling the world, enjoying a hobby, or relaxing with family, you need a plan to get there. Our 401(k) Plan provides a convenient and tax-advantaged way to save so you can achieve your retirement goals. The earlier you start, the more you will save!

There are two main types of 401(k) retirement savings plans: Traditional and Roth.

Traditional 401(k) - This one's for anyone who wants to **put off paying taxes**. Any money you save or invest isn't taxed until you withdraw it in retirement. Withdrawals are considered income and will be taxed at your current (retirement) federal and state tax rates. A traditional 401(k) also reduces your overall annual income, so **you'll pay lower taxes while working**.

Example: *If your annual salary is \$35,000 and you contribute \$5,000 to a traditional 401(k), you'll only pay taxes on \$30,000 for that year.*

Roth 401(k) - A Roth 401(k) functions similarly to a traditional 401(k) plan, with one big difference — you make contributions to a Roth 401(k) **with after-tax dollars**. This type of plan is for anyone who wants to pay taxes now. Then, when you pull money out of the plan during retirement, **you won't pay any taxes on the withdrawal**.

TIP: Your 401(k) paycheck deductions and the employer match will begin generally one to two paychecks following your enrollment. You may change, stop, or re-enroll in the 401(k) Plan at any time.

Watch [this video](#) to learn more!

Visit 401k.com or call **800-835-5097** to manage your account, investments, and contributions.

Maximum annual contribution limit

You may elect to have from 1% to 60% of your eligible gross compensation withheld from each paycheck on a pretax basis up to the annual IRS limit of \$23,500 for 2025.

Team members age 50 or older may elect to contribute up to 100% of their pay each pay date. If you are or will be 50 years old or older, you are eligible to make additional "catch-up contributions" up to the IRS annual limit of \$7,500 for 2025.

HireRight matching contributions

HireRight will match 100% of your first 4% in eligible earnings that you contribute each pay period. All team members will be immediately 100% vested in employer matching contributions.

Rollovers

You may roll over your pre-tax assets from another qualified retirement plan, such as a former employer's 401(k) Plan, at any time. The 401(k) Plan rollover form and instructions can be found in the 401(k) Plan Enrollment Guide at YourBenefitsCenter.com or by contacting Fidelity Investments at **800-835-5097**.

Investments

The Plan offers a variety of investments including Fidelity and non-Fidelity mutual funds.

SELF *benefits*

HireRight's voluntary benefits, such as accident, critical illness, and hospital indemnity insurance, provide an added layer of financial protection by paying a cash benefit to help you cover various expenses.

Supplemental Medical Plans

Accident Insurance

No matter how good your medical insurance plan is, it won't cover everything if you have a serious accident. This means you'll still have out-of-pocket expenses. If you miss work because of an accident, your living expenses such as food, a mortgage, utilities, etc. won't stop. Accident insurance pays you a cash benefit if you have a covered accident outside of work that requires medical care (such as a broken bone, burn, concussion, or ruptured disc). Benefits are paid directly to you, and you decide how to use the money.

Bi-Weekly Rates	Low Plan	High Plan
Team Member	\$2.36	\$3.74
Team Member + Spouse	\$3.75	\$5.95
Team Member + Child(ren)	\$3.84	\$6.16
Team Member + Family	\$6.10	\$9.75

Example

A **broken leg** meant Maria had to stay off her feet for a while, with several weeks of physical therapy. While she was recovering, Maria's accident insurance helped her cover the costs.

Maria used part of her accident insurance benefit toward her physical therapy expenses. She used the rest toward after school care for her children while she was at physical therapy appointments.

Hospital Indemnity Insurance

An unexpected hospital stay can become a financial burden if money is tight, and you aren't prepared. But having the right coverage in place before you experience a sickness or injury can help eliminate your financial concerns and provide support at a time when it's needed most. Hospital indemnity insurance pays a cash benefit for hospital confinements. Benefits are paid directly to you, and you decide how to use the money.

Bi-Weekly Rates	Low Plan	High Plan
Team Member	\$7.12	\$8.98
Team Member + Spouse	\$13.23	\$16.71
Team Member + Child(ren)	\$13.40	\$16.86
Team Member + Family	\$20.56	\$25.88

Example

Miguel was having trouble breathing and had to be **hospitalized for several days**. He used his hospital indemnity insurance to pay expenses that his primary medical plan didn't cover.

Critical Illness Insurance

The treatment to recover from a critical illness is vital, but it can also be expensive. Your medical coverage may only cover some of the costs associated with treatment. You're still responsible for deductibles and coinsurance. And if you must miss work because of treatments, that only adds to your financial worries.

Critical illness coverage helps provide financial support if you're diagnosed with a covered critical illness. You choose benefits to protect yourself and any family members. Then, if diagnosed with a covered critical illness, you will receive a cash benefit based on a percentage payable for the condition. You decide how to use the cash benefits.

Age	Monthly Rate per \$1,000	
	Team Member	Family
<24	\$0.14	\$0.30
25-29	\$0.15	\$0.37
30-34	\$0.25	\$0.59
35-39	\$0.35	\$0.86
40-44	\$0.66	\$1.56
45-49	\$1.12	\$2.65
50-54	\$1.71	\$4.19
55-59	\$2.54	\$6.46
60-64	\$3.70	\$9.82
65-69	\$5.42	\$14.53
70<	\$8.03	\$20.85

Example

A **heart attack** forced Jose to take an extended leave. While he has medical insurance through HireRight, Jose was still responsible for paying out-of-pocket costs that he didn't anticipate. With his critical illness insurance, Jose was able to afford the treatment he needed without dipping into his savings.

Jose used part of his critical illness insurance benefit toward his deductible and coinsurance for a surgery and hospital stay. He used the rest toward ongoing costs for outpatient cardiac rehabilitation and prescription medications.

Additional Voluntary Benefits

Legal Services & Identity Theft

Do you have an attorney on retainer? Most people do not, so our legal program offers you access to legal advice and even representation for an affordable monthly premium. Whether you need assistance reviewing a rental agreement, fighting a traffic ticket, creating a will, buying a house, or navigating an IRS audit, legal coverage from Legal Shield offers reputable attorney assistance for you and your family.

Identity theft is serious. Victims can spend hundreds, even thousands of dollars and weeks of their own time to repair the damage done to their good names and credit records. The longer identity fraud goes undetected, the more expensive and difficult it becomes to resolve. The Identity Shield program through LegalShield helps protect your personal information through proactive monitoring, identity restoration, and resolution.

You can enroll in these programs during Open Enrollment by visiting legalshield.com/info/hireright.

Adoption Assistance

To help Team Members who choose to adopt, HireRight offers an adoption assistance benefit. Reimbursement of allowable expenses associated with an adoption will be made up to a maximum reimbursement of \$2,500 per child once the adoption is final. If both parents are employed by the company, they may only receive a combined reimbursement of \$2,500 per child.

Pet Insurance

Pets are members of the family, too. When your pet gets sick, bills can add up faster than expected. Pet insurance prevents you from needing to weigh your pet's health against your bank account. Most plans offer coverage for costs associated with both accidents and illnesses – even medications. MetLife provides coverage for this program. You can enroll in this program at any time.

Home and Auto Insurance

Your home, its contents, and your car would be expensive, perhaps even unaffordable, to replace. HireRight has partnered with MetLife to provide you with access to special group rates on home and auto insurance. Applications and quotes are available directly from MetLife. You can enroll in this program at any time.

TIP: You won't pay income tax on any voluntary benefits chosen because contributions are deducted on a post-tax basis.

Employee Assistance Program (EAP)

HireRight's Employee Assistance Program (EAP) is available throughout the year to assist you with your everyday needs, at no cost to you. It's all part of HireRight's commitment to supporting your total well-being. Get help with work-life issues, referrals for clinical, legal, and financial services, and more.
