Pre-Paid Legal Services, Inc. ("PPLSI") provides access to identity theft protection and restoration services through its product IDShield. IDShield plans are available at individual or family rates. A family plan provides monitoring services for eligible dependent children under the age of 18 of the Named Member or Named Member's spouse or domestic partner. Consultation and Restoration Services are available for children of age 18-26, adult children of age 26 and older if they reside in the primary participant's primary household, adult children of age 26 and over who are physically disabled or mentally incapacitated, and parents. For complete terms, coverage, and conditions, please see an identity theft plan. Some of the services provided under the plan by third party providers are subject to change without notice. All Licensed Private Investigators are licensed in the state of Oklahoma. An Identity Fraud Protection Plan ("Plan") is issued through a nationally recognized carrier. PPLSI is not an insurance carrier. This covers certain identity fraud expenses and legal costs as a result of a covered identity fraud event. See a Plan for complete terms, coverage, conditions, limitations, and family members who are eligible under the Plan.
